Good Morning!

Great talking with you today, glad we were able to all get to the same meeting room in teams. Per our conversation please see the attached agenda for the CWA 404 assumption discussion, please let me know what changes and additional topics you would like to see covered. We are also wondering whether this would be a DEC discussion with EPA or if you were thinking more broadly, so I look forward to hearing your thoughts on that topic as well.

Additionally, please see the resources regarding RCRA Authorization. If you would like Tim Hamlin to follow up with Christina or Tiffany to put a more formal package together please let me know.

I am excited to hear about ADEC celebrating your 50th Anniversary, congratulations! I hope we can find some fun and meaningful ways to celebrate with you, let me know how I can help.

Thanks! Tami
